Mount Mercy Academy in Buffalo NY seeks an experienced part time teacher for Life Skills (ERA).

The teacher's core responsibilities include designing engaging lesson plans, facilitating critical discussions, and evaluating student performance through assessments to foster informed learning.

Key Responsibilities

- Curriculum & Instruction: Develop and deliver daily lesson plans that align with state educational standards and curriculum goals.
- Skill Development: Foster critical thinking, creativity, and analytical skills that are applicable to real world scenarios and the development of life skills
- Social Skills: Facilitate an environment in which students can grow. Prioritize empathy, curiosity, energy, and relationship building in the classroom.
- Assessment & Feedback: Create, administer, and grade assignments, projects, presentations and other assessments to measure student comprehension.
- Inclusive Environment: Adapt teaching methods and materials to accommodate diverse learning styles, IEPs (Individualized Education Programs), and varying academic abilities.
- Classroom Management: Maintain a safe, respectful, and productive learning environment that encourages participation and respectful discourse.
- Communication: Regularly update parents, school counselors, and administrators on student progress, behavioral concerns, and academic standing. Good public speaking skills are preferred.

● Qualifications & Requirements

- Education: A Bachelor's degree such as Education, Psychology, Communications, Business, or another related field (Master's degrees are often preferred).
- Certification: New York State teaching certification preferred
- Skills: Exceptional communication, classroom management, and conflict-resolution abilities.

Salary: \$25,000 (Part-time)
