### MISSION STATEMENT

Rooted in Catholic identity and the charism of Catherine McAuley, Mount Mercy Academy advances cultural growth, fosters belonging, and respects the dignity of every individual. We empower young women to pursue their fullest potential, achieve academic excellence, serve with compassion, and lead with integrity in a global community.

### CRITICAL CONCERNS OF THE SISTERS OF MERCY

**Earth:** We work toward the sustainability of all life by caring for Earth's ecosystems, addressing global climate change and advocating for the fundamental right to clean water.

**Immigration:** We act in solidarity with immigrants, refugees, and victims of human trafficking, seeking with them a more just and inclusive world.

**Nonviolence:** We work to improve our personal practice of nonviolence and peacemaking, to collaborate with organizations that foster peace, and to change violent systems and structures.

**Racism:** We work to become an anti-racist multicultural community because we believe racism is an evil affecting us all.

**Women:** We give special attention to women's education, health, and spirituality through our legislative advocacy, our schools, healthcare institutions, and spirituality centers.

By aligning our curriculum to the Critical Concerns, our students develop the life skills to think more critically. This approach to learning educates and empowers Mercy girls to use their unique gifts to make a positive impact on the world.

## THE MOUNT MERCY ACADEMY RING

The symbolism of the Mercy Ring:

- A circle representing the unity of all Mercy graduates;
- Gold, signifying loyalty to school, country, church, family and friends;
- Blue Band-- representing Our Lady's mantle - a reminder of her gentle, compassionate protection and care;
- Seven Pearls, reminding us of Mary's purity, which stand for Faith, Hope, Charity, Obedience, Humility, Joy and Patience.

## CORE VALUES

### Compelled By Mercy

Mercy students, in the spirit of our founder Catherine McAuley, are steadfastly determined to take Mercy into an interconnected world. Our shared sense of social consciousness is fortified by universal empathy and a conviction that all are worthy of God's mercy. This deep awareness and compassion move us to take principled action and serve the needs of others.

### Educational Courage

Mercy students welcome the challenge of pursuing their full potential in a culture of excellence, critical thinking and curiosity. Their multifaceted journey builds character while it builds essential skills. Our holistic program expects engagement, a thirst for knowledge and personal responsibility, while preparing students to thrive for a lifetime.

### Inspired By Faith

Mercy students become living models of faith and forceful advocates for Gospel values. Grounded in our Catholic identity in the Mercy tradition, we welcome all faiths and are strengthened and shaped by these relationships. As we pursue a personal relationship with God, we strenuously follow Jesus Christ's example of social justice, love and service.

### Principled Leadership

Mercy students are poised to lead with their unique gifts. Prepared with an ethical and moral compass, we put Mercy values into action and work assertively for what is right. We're equipped to make difficult choices, learn from our mistakes and develop high emotional intelligence. As an international community, we're confident in our ability to make a positive difference and push for systemic change.

### A Voice For Dignity and Respect

Mercy students honor the intrinsic value of the individual and recognize God's presence in each person. We embrace a global vision and value differences of opinion, and are unafraid to confront hostile or hurtful attitudes. By standing up for those who can't, we go beyond acceptance to help make sure everyone feels recognized and heard.

## THE SUSCIPE OF CATHERINE McAULEY

My God, I am yours for time and eternity.  
Teach me to cast myself entirely  
into the arms of your loving Providence  
with a lively, unlimited confidence in your compassionate, tender pity.  
Grant, O most merciful Redeemer,  
That whatever you ordain or permit may be acceptable to me.  
Take from my heart all painful anxiety;  
let nothing sadden me but sin,  
nothing delight me but the hope of coming to the possession of You  
my God and my all, in your everlasting kingdom.  
Amen.

## CATHERINE McAULEY'S MORNING CONSECRATION

This morning we pray for all those inscribed in our Memorial Record Book, the intentions on our prayer boards and for all intentions we hold in the silence of our hearts.  
In the name of the Father, and of the Son and of the Holy Spirit. Amen.  
O compassionate Jesus, look on me today with tenderness and give me the grace to walk on the path of mercy marked out for those who follow you. May all I do today reflect your merciful love. Amen.  
Our Lady of Mercy, Pray for us.  
In the name of the Father, and of the Son and of the Holy Spirit. Amen.

# **MOUNT MERCY ACADEMY**

## **STUDENT-PARENT HANDBOOK**

### **STATEMENT OF PHILOSOPHY**

Mount Mercy Academy is a Catholic, private, college-preparatory high school for young women, sponsored by the Sisters of Mercy of the Americas, New York, Pennsylvania, Pacific West Community, and dedicated to carrying out its educational mission in the spirit of Catherine McAuley. Rooted in Gospel values, Mount Mercy Academy is dedicated to educating young women of all cultural and economic backgrounds by providing an excellent academic curriculum and extra-curricular program.

The faculty and staff work in collaboration with the Sisters of Mercy, the Board of Trustees, parents, students, alumnae and friends to create a faith community which values the deepening of spirituality, hospitality, and the dignity of each person. Through dedication and professional competence, the Academy strives to impart the hallmarks of a Mercy education – academic excellence, dedication to Christian values, leadership, commitment to service and family in partnership. Education at Mount Mercy is seen within the context of the whole person. Emphasis is placed on creating challenging opportunities for growth in spirit, mind and body. As true bearers of mercy and members of the global community, Mount Mercy strives to educate young women to proclaim justice, to accept and respect the diversity of all people and to respond to the needs of others and to all creation with compassion.

### **DIVERSITY STATEMENT**

Catherine McAuley encouraged her sisters to respond to the needs of their times wherever those calls might originate. The Sisters of Mercy have traveled to every continent, learning new languages, cultures and customs, serving needs as they arose. It is in that spirit that Mount Mercy Academy affirms its commitment to diversity by promoting a diverse student body and staff, modeling and inculcating the qualities necessary for participation in a multi- cultural world by training young women to carry out the mission of the Sisters of Mercy.

### **NOTICE OF NONDISCRIMINATORY POLICY**

Mount Mercy Academy admits students of any race, color, national and ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national and ethnic origin in administration of its educational policies, admission policies, scholarship programs or athletic and other school administered programs and activities.

**Code of behavior for families and guests:** Mount Mercy Academy will not tolerate any unwelcome or unacceptable behavior that is racist in nature by any individual who attends a Mount Mercy Academy event. The Sisters of Mercy's critical concerns and the Academy's core values provide a strong foundation for such a statement of expectations.

**Bystander intervention:** From both an educational and social-cultural perspective, the Academy's students are instilled with a moral obligation to recognize unwelcoming behavior and stand up for the values that the Academy and the Sisters of Mercy espouse.

## **ACADEMIC PROGRAM**

The academic program aims to meet the needs, interests and aptitudes of every student. Mount Mercy is accredited by the Middle States Association for Secondary Schools. An annual Course Description Catalog sets forth course and unit requirements. Freshmen, sophomores, juniors and seniors are expected to complete at least seven and a half (7.5) credits per year. Physical Education is required yearly of all students.

## **GRADING AND PROMOTION**

Grades are available throughout the year online through your Family Portal, a mandatory online account you create used to view class work, attendance, and communicate with the school. Report cards are issued quarterly to parents. Failures are reported to parents through the Counseling Center. School Counselors will provide parents with information on course credit recovery plans. Promotion is based on an average of the four quarters and a final assessment. A student must have a promotion mark of at least 65% to receive credit for the course. Students receiving less than the required mark must repeat the course and earn a passing grade. Failure in one or more subjects in any quarter will result in a student being placed on academic intervention services (AIS). This will include periodic progress review and a parent conference may be requested. (See the Academic Eligibility Policy).

## **STUDENT SERVICES**

### **CAMPUS MINISTRY**

The primary role of the Campus Minister is to provide the opportunity for students to grow in an awareness of the faith, to develop a personal relationship with God, and to build a Christian community among faculty and students. The Campus Minister coordinates liturgical celebrations for the school community; arranges prayer services, retreats and service opportunities for students; encourages the development of our relationship with the Sisters of Mercy; and prepares materials for teachers based on the liturgical seasons.

### **COUNSELING CENTER**

At every grade level, the student is assigned a School Counselor, who is committed to each student's personal growth in the areas including, but not limited to, social-emotional, academic and career development. Academic advising helps students plan their academic program, working towards their future goals, by fostering informed decision making. Students are urged to utilize the resources available in the Counseling Center. Course requests are accepted at the beginning of the 2nd semester and the schedule is finalized by the end of the school year. Therefore, no schedule changes will be permitted after June 1st. Students are able to revise their course requests as often as they would like until this date. Students may not drop a class during the school year. The only schedule changes allowed will be at the discretion of Administration or if a student would like to choose an elective in place of a study hall, which is offered at the same time. Students will not be allowed to pick up additional electives after the 1st week of the semester.

## HEALTH SERVICES

A registered nurse regularly staffs the health office. Students who become ill during the school day are to report to the clinic or are sent there with a note from her teacher. A student is not allowed to call her parents from her cell phone telling him/her to come pick her up because she is sick. As necessary, parents will be notified and the student may be sent home. Students are not allowed to go home until parents are contacted by school personnel and permission by parents is granted. Parents picking students up due to illness must report to the Health Office and sign their daughter out. Students who report to and stay in the clinic for more than 20 minutes will not be able to participate in sports/activities/practices or serve lunches in school that day. The school is to be notified if a student is under doctor's care. It is sometimes necessary for medications to be given during the school day for treatment. Students are encouraged to take the medication before or immediately after school if possible. Students may not carry medications on their person during the school day. The medication must be given to the school nurse. NYS Education Guidelines state that medication may be administered by designated school personnel if a parent submits a written request to school authorities. The request must be accompanied by a written prescription from the family physician. **New medication orders are required each school year** and the medications must be given to the school nurse **in its original container and/or must contain a pharmacy label.**

## LEARNING LAB

The Learning Lab provides Mount Mercy students with opportunities which promote academic success, including structured study halls, assistance with study skills, tutoring in all subject areas, and accommodations for any student with an Individualized Education Plan or a 504 Plan. The purpose of our Learning Lab is to provide academic support as we carry out our mission of educating young women for academic excellence. Students are able to access the services of the Learning Lab through referrals made by the School Counseling Office, a teacher, a parent, or by the request of the student herself.

## WORK PERMITS

Applications for working papers are available for students and can be obtained in the Main Office. Only students with good attendance may be issued a work permit. **“Should absences reach an unacceptable level, working permits may be revoked by the school.”**

## **DISCIPLINE**

**At Mount Mercy Academy**, Discipline prioritizes a culture of mutual cooperation and respect. Our approach focuses on fostering positive attitudes and personal growth, while maintaining a structured environment. We set clear expectations and consistently uphold classroom rules from the beginning of the year. Appropriate behavior is encouraged and recognized, creating a safe and supportive atmosphere for all students.

Mount Mercy Academy holds high standards for student conduct and will issue empowering consequences when necessary. We maintain a **zero-tolerance policy** toward drugs, alcohol, smoking/vaping, weapons, pranks, bullying, and any form of threats, whether verbal, written, electronic, or physical.

### **DEMERITS**

At Mount Mercy Academy, a demerit is used as a tool to remind students to reflect on their actions when they break a rule or policy. Rather than focusing purely on punishment, demerits are intended to encourage **personal growth**, **responsibility**, and **positive change**. This system is designed to help students develop **compassion**, **emotional intelligence**, and **inclusivity**, while promoting strong **ethical and moral values**.

Although demerits track infractions, their main purpose is to guide students toward **personal accountability** and **improvement**. By learning from their mistakes, students strive to meet the high standards expected of a Mount Mercy graduate: to be caring, compassionate, respectful, responsible, ethical, and committed to excellence in all she does.

In essence, any behavior or attitude that does not reflect the values of a Mercy student can result in a demerit. Demerits can be given by any administrator, counselor, staff member, or teacher. Parents can keep track of their daughter's discipline record by accessing the **Family Portal**.

### **GROWTH-ORIENTED JUSTICE**

- **What is it?**  
Growth-Oriented Justice will be implemented after a demerit is issued and will be used as an alternative to traditional punishment.
- **How does it work?**  
Instead of punishment, students will engage in actions that are constructive and educational, often related to the nature of the infraction. This might involve helping with a task that benefits the school or completing a project designed to educate the student and others. The aim is to turn the mistake into an opportunity for growth, personal development, and contribution to the school community.
- **Why Growth-Oriented Justice?**  
This approach encourages positive behavior, promotes self-discipline, and fosters stronger relationships between students, teachers and the school community. It helps students learn from their mistakes in a meaningful way, creating a more constructive and supportive learning environment.

Strict punishments often lead to fear and resistance, potentially damaging relationships and hindering genuine learning. In contrast, Growth-Oriented Justice emphasizes positive reinforcement, helping students learn from their mistakes and fostering a more constructive adherence to rules.

## TIER SYSTEM FOR INFRACTIONS

Depending on the severity of the infraction (Minor, Middle, or Major), appropriate consequences will follow our tier system:

- **Minor Infractions:** Handled with 1 demerit and growth-oriented justice.
- **Middle Infractions:** Immediate referral to the Assistant Head of School and possible in or external school suspension.
- **Major Infractions:** Could lead to in-school or external suspension, or expulsion, based on administrative decisions.

This approach ensures that discipline not only addresses infractions but also empowers students to grow and improve within a supportive environment.

If an infraction occurs depending on the severity we start at tier 1, 2 or 3:

<b>Minor infractions</b>	<ul style="list-style-type: none"> <li>• Gum chewing</li> <li>• Out of uniform</li> <li>• Unexcused tardy to class</li> <li>• Cell phone use</li> <li>• Class disruption</li> <li>• Excessive talking</li> <li>• Disrespect</li> <li>• Excessive tardiness to school (More than 5 times).</li> </ul>	Start a tier 1
<b>Middle infractions</b>	<ul style="list-style-type: none"> <li>• Cheating</li> <li>• Insubordination</li> <li>• Fighting</li> <li>• Failure to appear for detention</li> <li>• Skip class</li> <li>• Lying</li> <li>• Stealing</li> </ul>	Start on Tier 2
<b>Major infractions</b>	<ul style="list-style-type: none"> <li>• Bullying</li> <li>• Threats</li> <li>• Alcohol</li> <li>• Drugs</li> <li>• Tobacco</li> <li>• Vaping</li> <li>• Possession or use of weapons</li> <li>• Destruction or misuse of school property</li> </ul>	Start on Tier 3

**Tier 1** = After warning from a teacher or administrator if the issue persists an administrator, counselor, staff member, or teacher will write a demerit for each minor infraction.

**1 demerit** = 1 Growth oriented justice task will be applied. This means they will have to stay after school (from 2:45pm to 3:45pm) or during study hall (58 minutes). A call and email will be sent to parents.

The exception is unexcused tardiness:

5 unexcused tardies = 1 Growth oriented justice task to be done after school or during study hall, to be served on the day of the 5th unexcused tardy.

In case the behavior still happening we move automatically to tier 2

- **Tier 2** = They will be sent to the Assistant Head of School and the growth oriented justice task will be applied. This means they will have to stay in the Assistant Head of school for in school suspension for the days that were determined 1-5 days.  
A conference with parents will be arranged.

In case the behavior still happening we move automatically to tier 3

- **Tier 3** = In school or external detention or expulsion to be determined by the Administration depending on the severity of the infraction.

## **INCIDENT REPORT**

In case of a most serious act of disrespect to a teacher or staff member an incident report may be filed. This report will be sent to a student's parents and a copy placed in her disciplinary file.

## **DISCIPLINARY PROBATION**

Disciplinary probation may occur dependent upon the seriousness of the violation. Probation periods will be determined by Administration. Students on probation may be subject to suspension of all school activities. Further infractions while on probation may lead to internal or external suspension or expulsion.

## **SUSPENSION**

A student will be placed on suspension in the case of serious offense(s). It is a severe disciplinary measure and is not given lightly or repeatedly. Parents will be notified of a student's suspension. External suspension means that the student is denied the privilege of attending school or participating in any way in the life of the school. A student on internal suspension is excluded from classes and the normal events of the school day. She is isolated from her classmates and all her activities are monitored. The student is expected to report directly to the suspension area in the morning. During the period of suspension, the student will not participate in any extracurricular activities.

1. For a serious violation of school policy or regulations, the administration may place a student on suspension.

2. A student who has been given disciplinary probationary status as a result of an Administrative decision and receives any additional demerits may serve an internal or external suspension.
3. If a student is suspended, her parents may be asked to meet with school authorities to evaluate her continued enrollment at Mercy.
4. A student placed on internal suspension is responsible for all class work assigned during this time and may contact teachers to make arrangements to make up missed work.
5. External suspension days will be counted as absences for attendance purposes, since, in such cases, the student is not on school premises. The Head of School will determine the time frame and conditions of an external suspension.

## **SCHOOL POLICIES**

### **ACADEMIC ELIGIBILITY**

A hallmark of a Mount Mercy education is our dedication to academic excellence. To foster that goal, the administration and faculty have made academic performance a priority that impacts upon student participation in extracurricular activities. Therefore, any student who fails one subject will be subject to Academic Intervention for the following quarter. During this time, her academic progress will be monitored by both the classroom teacher and the school counselor. The student's progress will continue to be monitored and determination of participation in extracurricular activities will be made on a case-by-case basis.

### **ACCESSIBILITY OF BUILDING AND FACILITIES**

In light of the Mission Statement and the effort to be inclusive and accommodating of all persons, Mount Mercy Academy will do all that is practical to meet the needs of faculty and students who are physically challenged, within the limits of the resources available.

### **ACCEPTABLE USE POLICY**

Students and parents will be asked to read and electronically sign the "Acceptable Use Policy". Information regarding this procedure will be sent at the beginning of the school year.

### **ALCOHOL / SMOKING / SUBSTANCE ABUSE**

Mount Mercy Academy has a commitment to and a shared responsibility with parents:

1. To protect and foster student health and welfare.
2. To educate and assist students in becoming mature, responsible and healthy Christian women.
3. To help students learn to make life-affirming decisions in completely abstaining from the illegal use of alcohol and chemical substances.
4. To support and maintain a program of confidential and professional care for students experiencing problems because of alcohol or substance use and/or dependency. The purposes of these educational, assistance and disciplinary policies are two-fold:
  - a. To create an alcohol/drug free school and environment which is conducive to academic and personal health and growth consistent with the Mercy philosophy of education. Therefore, no alcohol will be served at any student-centered function.
  - b. To help Mercy students deal with all alcohol or drug related issues in the best way possible. School grounds are defined as the immediate property and areas within the vicinity of the school including both sides of Red Jacket Parkway from Abbott Road to McKinley Parkway to Choate Avenue.

The dealing or selling of drugs or drug related paraphernalia on school grounds, at school sponsored functions, traveling on school-supervised vehicles, or while on school trips will result in immediate expulsion. The possession of alcohol or any controlled substance anywhere by a Mount Mercy student will seriously jeopardize her right to attend Mount Mercy Academy. The possession or use of drugs or alcoholic beverages on school grounds, at school sponsored functions, traveling on school-supervised vehicles, while on school trips or in any way representing Mount Mercy Academy is against the law and violators will be subject to strict disciplinary action. Students under the influence of alcohol or a controlled substance (mood altering chemical) or in the possession of alcohol or drugs while in school will be handled in the following manner:

1. Parents will be contacted immediately and asked to come to school or to the social event to meet with the Head of School and to take their daughter home. They will also receive written notification.
2. Appropriate law enforcement notification will take place as determined by the Head of School.
3. The student will be required to appear before selected representatives of the Administration of Mount Mercy Academy.
4. The student's privilege to participate in any school activities will be revoked until further determination is made.
5. The student may be required to participate in a mandatory drug/alcohol rehabilitation program.
6. On-going written and oral communication between the school Administration and the student's parents is essential and will take place as deemed necessary.

Guests of Mount Mercy students who arrive at a Mercy sponsored function under the influence of drugs/alcohol or become intoxicated while there will be detained until his/her parents or police arrive to take him/her home. Parents are reminded that they are legally responsible and liable for accidents or injuries that result from alcohol being served to students less than twenty-one years of age. Any student who violates the school policy on alcohol or drug use is subject to expulsion.

In all cases, the school will consult with the student's parents and appropriate school professional staff. However, the school's recommendation is final for a student to continue her education at Mount Mercy.

Federal and NYS regulations specify that educational campuses are to be smoke free environments.

**Smoking/vaping/ juuling is not permitted anywhere on or in the Mercy complex – in school, on school property, in any way representing Mount Mercy Academy or within the area defined by school policy.** Mount Mercy Academy students in uniform, whether at Mercy functions or representing the school are expected not to smoke. Smoking is a health hazard and an environmental pollutant and reflects negatively on the image of all the students and faculty. Failure to abide by this policy is considered to be a violation and may lead to suspension and other consequences determined by Mount Mercy Academy Administration.

## ATTENDANCE POLICY

The administration of Mount Mercy Academy is responsible for all policies regarding pupil attendance, standards, records of attendance, and regulations and is guided by New York State Education Law and the Commissioner of Education.

Regular school attendance is necessary for scholastic progress. A poor attendance record may jeopardize opportunities for employment and college entrance. Parents are asked not to permit absence from school for trivial reasons. Absence from school without parental consent constitutes truancy. The school day begins at 7:50 a.m. and runs through 2:45 p.m. Students should be in school no later than 7:45 a.m. to ensure timely arrival to homeroom. Attendance is recorded at the start of the school day. In addition, teachers are required to keep a record of attendance for each class throughout the school day since regular class attendance is crucial to academic success.

Credit for any course is contingent upon:

- Meeting the course requirements, including reporting for the final exam or submitting the final assessment and receiving a passing average of 65%.
- Meeting attendance requirements.

In order to receive course credit a student is expected to be in attendance for a minimum of 85% of all scheduled class meetings or equivalent time. They may have to make up missed time, especially if work has not been turned in.

Students who fail to meet the minimum attendance requirement for a course may receive an audit for that course. They may not be allowed to take any final examinations in that course. They may have to make up missed time, especially if work has not been turned in.

The classroom teachers, guidance counselors, and administration will notify students and parents when specified benchmarks in absences have been reached. Students who have excessive absences in class and have been scheduled to audit may be required to make up time equivalent to the number of classes absent beyond the maximum number in both full year and semester courses. Students who fail to make up time may have their attendance reviewed by Administration. Students will be notified in writing of the determination of the committee.

Students having excessive absenteeism or tardiness (determination to be made by Administration) may be denied the right to attend dances, proms, field study, class trips, other evening or weekend functions, and Mount Mercy Academy scholarships and financial aid. A parent conference may be scheduled as a result. An attendance review may be scheduled if there is a challenge to the process or extenuating circumstances.

## **ATTENDANCE PROCEDURES AND RULES**

School doors open at 7:00 a.m. for student arrival.

Students should arrive no later than 7:45 a.m. in order to report to Homeroom on time. Homeroom begins promptly at 7:50 a.m. Dismissal is at 2:45 p.m. Free breakfast is served in the dining hall for all students arriving before 7:35 a.m. At dismissal time, the bus lane in front of school must remain clear until the buses leave at 2:55 p.m. Parents/Guardians who drive their daughter are asked to wait until the buses have cleared before pulling in front of school for pick up.

**\*\*Please note that all attendance is reported on a student's report card and her transcript.**

**Colleges review attendance as part of their admissions process.**

- 1) ALL ABSENCES, EARLY DISMISSALS, AND TARDINESS MUST BE REPORTED BY A PARENT/GUARDIAN!
  - a) Parents/Guardians must call the Attendance Hotline each day that their daughter will be absent, leave early or arrive later than 7:45 a.m.: (716) 825-8796 Ext.2.
  - b) Please do not call the Main Office to report attendance.
  - c) If the situation requires you to speak with someone regarding the absence, please call the Health Office: (716) 825-8796, Ext.104 or your daughter's school counselor.
  - d) A doctor's note is required any time a student misses class time for any kind of medical appointment between 7:50 a.m. – 2:45 p.m. If the doctor's office does not automatically give you a school excuse, please ask for one. Your daughter can bring it to the Health Office upon return to school or you can fax it: (716) 825-0976.
- 2) Automatic Demerits will be issued for "unexcused" tardiness. An unexcused tardy includes, but is not limited to the following reasons: a late ride, overslept, traffic, running late, missing a bus, no parking, no alarm,. If the student is late for any other reason a parent must call the Attendance Hotline with the details. Mount Mercy Academy staff will determine if the reason will be excused or not. Parents are to contact the Attendance Hotline with any extenuating or chronic circumstances.
- 3) If School District Transportation (yellow school bus) runs late due to health & safety procedures, inclement weather, etc., students will be issued an "excused" pass to class. Tardiness due to District Transportation is not counted against the student.
- 4) All students must sign in when arriving late and sign out for early dismissals.

- 5) Early dismissals must be pre-arranged by calling the Attendance Hotline by 9:00 a.m. with the details of the dismissal. Last-minute emergency dismissals should be reported to the school nurse: (716) 825-8796, Ext. 104. When picking up your daughter early from school, pull up to Door #4 at the arranged time and we will sign out your daughter and send her to your vehicle.
- 6) Students participating in any club/activity/sport must be on time and in class all day (7:50-2:45). The exceptions are Bereavement, School Business or a routine doctor's appointment. A doctor's excuse must be submitted for any medical appointments where class time is missed.
- 7) Absences that do not count against a student's attendance record are as follows: School district closures (i.e., inclement weather), bereavement, school business, i.e, field trips)
- 8) If a student becomes ill during the school day, she is to report to the Health Office for assessment. **She is not to use her cell phone to call a parent/guardian to be picked up.**
  - a) The school nurse will assess the situation and contact a parent/guardian if necessary. A parent/guardian may contact the Health Office at [healthoffice@mtmercy.org](mailto:healthoffice@mtmercy.org) or (716) 825-8796 x104.
  - b) If a student goes home ill or spends more than 20 minutes in the health office, she becomes ineligible to participate in extracurricular activities for that day, including sports.
- 9) **Field Trips:** Students must realize that they will be viewed as ambassadors of Mount Mercy Academy. Field trips have an academic purpose and are part of the curriculum of our project based learning model. Students are expected to conduct themselves with proper behavior. Written parental permission is required in advance and is only accepted on the Mercy standard permission slip form. A student lacking this will not participate in the activity. Telephone calls will not be accepted in lieu of the proper form. Students may be denied the opportunity to participate in field trips because of conduct, attendance or academic standing at the discretion of faculty or administration. Unless a doctor's excuse is provided, students must arrive at school on time in order to attend a field trip.
- 10) **Participation in Sports, Student Activities, and Extracurricular Activities:** A student must be on time to school, meaning in Homeroom before the bell rings. She must be in attendance for the entire day in order to be eligible to participate in interscholastic or any extracurricular activity. A tardy to school, staying in the clinic for more than 20 minutes, an unexcused absence or an absence/early dismissal due to illness eliminates any student from participation. This includes all practices, games and competitions. The only legal tardy (or dismissal) to school in this case is for a doctor's appointment for a routine visit (Not illness) and with a doctor's note.
- 11) **Perfect Attendance:** Students achieving perfect attendance will have zero point value (0.00) of absences or unexcused tardies/departures from school, excepting field study and school-sponsored activities (school business). **In addition a student must not accumulate more than five (5) excused late arrivals or departures.** "Excused" means proper documentation for the legal excuses accepted by New York State (see above).
- 12) **Classroom Attendance:** Regular attendance in all classes is required. Students must meet or exceed the New York State requirement of 85% presence in each class. Students may be required to make up seat time lost due to excessive absences.
- 13) **Tardy to Class:** A student who reports late for class disturbs the class, disrupting the learning process for her classmates. If a student is regularly late for class, appropriate disciplinary action will be taken as determined by Mount Mercy Academy Administration.
- 14) **Truancy:** When a student skips school (truancy), her parents may be contacted by phone. The

student will meet with Administration to determine sanctions. This matter may be referred to the district truancy officer.

- 15) **Warning Letters:** Warning letters will be sent when absences/tardies negatively affect academic progress.

## **BULLYING/CYBERBULLYING/HARASSMENT/SEXUAL HARASSMENT**

We at Mount Mercy Academy believe that everyone has the right to feel safe and free of any form of bullying or harassment. Acts of harassment committed by or directed toward any student, faculty or staff will be taken seriously and thoroughly investigated. All violations of this policy must be reported to Administration immediately. Administration, will determine the consequences of instances of Harassment/Bullying, which may range from suspension to dismissal from Mount Mercy Academy. Parents will be contacted in all cases. Parents have the right to contact police if they feel the situation supports such actions.

\*The National Crime Prevention Council defines cyber bullying as, “when the Internet, cell phones or other devices are used to send or post text or images intended to hurt or embarrass another person.”

## **CHEATING**

There is a clear expectation that all students will perform assignments with honor and integrity. As mentioned in the Integrity Statement: “Integrity is consistency between what we say and how we act; faithfulness to a pledge or responsibility; soundness of moral character. Mercy students demonstrate integrity when their independent work is their personal, original work, when homework is not copied nor given to others to copy, when research is properly done, when work authored by others is not plagiarized, when preparation for tests and quizzes supports truthfulness in all answers, when computer and lab work is honestly presented and when commitments to academic and extracurricular activities are undertaken with sincerity.”

There is "zero tolerance" for students caught cheating. Often, cheating involves more than one individual. Any student involved in a cheating incident risks receiving a failing grade or a zero for the assignment, test, quiz, project or any other submission of work that is to be assessed, and a mandatory demerit will be issued. Subsequent offenses may result in one or more of the following: additional demerits, suspension, removal from elected position(s) and/or honorary organization(s), inability to participate in co-curricular activities, and/or other consequences determined by an administrator.

## **CUSTODIAL & NON-CUSTODIAL PARENTAL RIGHTS & RESPONSIBILITIES**

Mount Mercy Academy abides by the provision of the Buckley Amendment (Family Educational Rights and Privacy Act, 1974). When parents of a student are separated, involved in divorce proceedings, or are divorced, the administration will respect the rights of both the custodial and non-custodial parents. Court orders concerning special restriction will also be respected and followed by the school administration. In the absence of a court order to the contrary, Mount Mercy Academy will provide the non-custodial parent with access to the academic records and to other school-related information regarding the student; Mount Mercy Academy is not required to inform the custodial/legal guardian(s) if such information has been requested or given to a non-custodial parent/guardian. If there is a court order specifying that there is to be no information given, it is the responsibility of the custodial parent to provide the school with an official copy of the court order.

For the school's purposes, the parent with whom the child resides is known as the custodial parent. If both parents claim to be the custodial parent, enrollment records will be examined; the parents who enrolled the child are considered the custodial parent until a legal document naming the custodial parent can be provided to the school.

Parent rights include access to student records and school mailings, attendance at parent/teacher conferences, and authority to request that a student be released early or be absent from school for a legitimate reason. Only the custodial parent has the right to remove the student from school property.

It is the responsibility of the non-custodial parent to inform the school office of his/her name, address, and telephone number if he/she wishes to be consulted regarding his/her child or wishes to be placed on the school's mailing list.

## **CIRCUMSTANCES BEYOND THE CONTROL OF THE SCHOOL**

In times of events beyond the school's control, i.e. pandemics, flooding, fires, tornadoes, etc. where a school's normal operations are impeded, temporarily or fully stopped during the school year, the school will continue to provide an instructional program using alternative methods that may include online learning or alternative school settings. In such events it is understood that the school must continue to employ its faculty and staff to ensure instruction continues. Accordingly, tuition payments to the school must also continue to be paid throughout the year as per contractual agreement between the school and those who have made the financial commitment for those tuition payments.

## **DANCES**

Dances held at Mount Mercy Academy and dances sponsored by Mount Mercy Academy but held off-site are subject to the Mount Mercy Academy Dance Policy. This policy is designed to ensure the safety and well-being of all who attend a Mount Mercy Academy dance. These dances are high school functions and as such guests invited by Mount Mercy students must currently be enrolled in a high school and/or may not be older than 21 years of age. Guests of Mount Mercy Academy students must complete the guest authorization release which must be turned in before or at the time of ticket purchase along with the Mount Mercy Academy dance permission slip for the Mount Mercy Academy student. School policies regarding alcohol and drugs apply to those who attend a Mount Mercy Academy dance. Students and guests must stay for the duration of the dance. Any Mount Mercy Academy student or guest violating these policies will be subject to removal from the dance. Mount Mercy Academy students will be subject to further disciplinary action.

## **DISTANCE LEARNING**

Mount Mercy Academy strives to offer the highest quality educational experience to all of its students, whether in the traditional mode of classroom instruction or in alternative teaching methodologies, such as distance education. In an effort to reach students when classes are not able to be held in the school building, there may be times when instruction will be made available in the distance education format. Distance education may be defined as a formal educational process in which the majority of the instruction (interaction between students and instructors and among students) in a course occurs when students and instructors are not in the same place. Instruction may be synchronous or asynchronous. A distance learning situation may employ correspondence study, or audio, or video, or computer technologies. Mount Mercy Academy will employ all of these technologies in course delivery. Distance Learning will not be offered to students except in the following circumstances:

1. When the entire school is unable to hold in-person classes, ie., due to a county/statewide emergency, OR;

2. When a student has a medical situation which keeps her from attending in-person classes. This medically excused situation requires a doctor's script/letter stating the reason of the distance learning, along with the start and end dates, ie., surgery, accident, prolonged illness, OR;
3. When a student is placed in quarantine by the Erie County Department of Health. In this case a student must follow the guidelines issued by the Erie County Department of Health.

## **FAMILY PORTAL**

All parents who pay tuition and require access to their daughter's academic information, must have a portal account. Portal accounts for parents are created as part of the enrollment process. The FACTS software will not allow parents to **share an email address**. When necessary, parents may have to create his/her own unique email address in order to create a portal account. New students will create their portal accounts at student orientation using their school email address. Family Portal accounts for students and parents are located at: [factsmgt.com](http://factsmgt.com). Click the "Log In Here" button. Under "For Families", click the link to the Family Portal. Enter your Username/Password you used to create your account. Our District Code is **MMA-NY**.

## **FINANCIAL OBLIGATIONS OF PARENTS/GUARDIANS**

### **Tuition Collection Policy**

In the spirit of mercy and Christian justice, expressed in the philosophy and mission statement of the Academy the following tuition payment policy is enacted:

**Tuition Policy Statement:** Mount Mercy Academy's payment policies respect the wise use of the tuition dollars you pay to provide quality education for your daughter. In the spirit of Mercy and in Christian justice, tuition rates are established to support our students in the many opportunities offered to them through our curriculum and unique programming which prepares them for a high degree of success in high school, college and career. Timely tuition payments are essential for us to maintain the quality of our programs.

### **II. Policies and Procedures**

Tuition information and payment option plans for the academic year will be made available to each parent of a student at the Academy in a **Tuition Acceptance/Payment Preference Form within the FACTS SIS enrollment packet**. All tuition is assessed by the Finance Office and collected by the FACTS Tuition Management Company. The Academy reserves the right, when necessary, to amend tuition and other charges associated with a student's education.

### **Registration and Tuition Deposits – Incoming Freshmen ONLY**

Students register once as incoming freshmen. A student will be considered registered and returning for all four years unless the Academy is notified by the parent or guardian in writing that the student is not returning. All incoming freshmen must pay a registration deposit of \$360. This deposit will be applied to the tuition bill of the student. The deposit is forfeited if the student fails to enter the high school or withdraws before the completion of the academic year. The deposit is due on or before the date a student comes in for Registration (scheduled in early February).

### **Payment of Tuition**

All Parents or legal guardians are billed for tuition by the FACTS Tuition Management Company in May or June. Financial responsibility begins with registration of the student at the Academy. Tuition is due on the **due date** printed on the bill. If a bill remains unpaid after the due date, a \$25 late charge

will be added automatically for each month the bill remains unpaid. All money is credited on the day received, NOT the day mailed.

### **Student Withdrawal**

Students who will not be returning to Mount Mercy Academy for the following academic year must notify the Counseling Center to schedule an exit interview before the first day of school in order to avoid further financial obligation to the school. Any student withdrawn **after the first day of school** will be obligated to pay 30% of the tuition for September and an additional 10% for each additional month the student is enrolled, as listed below:

<b>Withdrawal Notification:</b>	<b>Due:</b>	<b>Withdrawal Notification:</b>	<b>Due:</b>
Between opening of school and Sept. 30	30%	Between January 1 and January 31	70%

Between November 1 and November 30	50%	Between March 1 and March 31	90%
Between December 1 and December 31	60%	Between April 1 and April 30	100%

### **III. Tuition Payment Options**

Parents or legal guardians of students may choose one of the installment payment options below. **The payment plan selected will remain in effect for all four years unless the parent or guardian contacts the Finance Office and submits a new Tuition Acceptance/Payment Preference Form.** The Academy utilizes a payment management system called FACTS for all three payment options:

#### **1. Full payment:**

The FACTS Tuition Management Company electronically withdraws 100% of the tuition on July 1st.

#### **2. Two installments option:**

The FACTS Tuition Management Company electronically withdraws 50% of the academic year's full tuition payment in July and the remainder in November from a parent or guardian's checking or savings account. Withdrawal dates are either on the 5<sup>th</sup> or 20<sup>th</sup> of the month.

#### **3. Monthly installments option:**

The FACTS Tuition Management Company electronically withdraws 10 monthly tuition payments from a parent or legal guardian's checking or savings account. Monthly withdrawals begin in July and end with the April payment. Withdrawal dates are either on the 5<sup>th</sup> or 20<sup>th</sup> of the month.

### **Outstanding Financial Obligations**

Any outstanding financial obligation which a parent or legal guardian of a student owes to the Academy will prevent the student from returning for the next academic quarter. Also, no student will be allowed to register for the next school year until all outstanding financial obligations are paid in full. Other collection measures may be implemented by the Academy as deemed necessary.

Families who experience extenuating circumstances (such as loss or significant change in employment status, loss of a spouse, divorce or separation, etc.) must contact the Director of Operations and Management directly who will arrange a meeting to discuss alternate payment plans if applicable.

All tuition collection issues are subject to appropriate credit reporting and collection agency follow-up. All fees charged by the collection agency will be the financial responsibility of the parent or guardian.

### **FUNDRAISING**

Development activities and fundraising are essential to the financial stability of Mount Mercy Academy. All revenue-generating activities will be done in accordance with this policy so that:

1. Fundraising activities are consistent with the Mission Statement of the Academy,
2. Principles of good stewardship are practiced
3. Collaboration among the various constituencies is optimized, and
4. Coordination of activities results in reasonable expectation of parents, students, alumnae and all Mercy supporters.

A fundraising calendar for specific fundraising events will be prepared by May 1 for the subsequent academic year and approved by June 1. Requests for approval and/or revisions to this calendar will be submitted in writing.

## HATE SPEECH POLICY

Mount Mercy Academy strives to create an environment based on respect of the individual and celebrates diversity. To re-enforce this view, we will not tolerate any form of hate speech against any student or adult in this school or outside of school using any, but not limited to, form of written, spoken or electronic speech. All individuals who are part of the Mount Mercy Academy Community will be protected from individuals or groups who promote violence or hatred against groups based on race or ethnic origin, religion, disability, gender, age, sexual orientation or gender identity.

Individuals or groups found to be using hate speech will meet with any necessary individual(s) including the Head of School and members of the Board of Trustees, Administration and Teachers to review the situation and determine appropriate next step actions for those found to be in violation of the policy.

## HOMEWORK

Homework is an important component in an overall educational program and contributes to life skills that we want our students to develop. The purpose of homework is to reinforce the skills taught in the classroom, as well as to uphold our commitment to excellence. Homework policies will be determined according to individual course expectations.

## IMMUNIZATIONS AND PHYSICALS

### Immunizations:

All students must meet requirements of New York State Public Health Law in regards to required immunizations for school entrance/attendance for the current school year. The "**Immunizations Requirements Form**" can be found on the Mount Mercy Academy website: <https://www.mtmercy.org>. Please work with your child's health care provider and school nurse to determine what immunizations are needed to comply with the requirements.

New York State requires a health examination for all students entering **9th grade, 11th grade and transfer students**. The examination must be completed on the approved **Health Appraisal Form**, found under **Quick Links** on the homepage of the Mount Mercy Academy website: <https://www.mtmercy.org>. A health appraisal is valid for a 12 month period and must be received by **October 1<sup>st</sup>**.

\*Participation in fall sports requires a current physical in the Health Office prior to try-outs in August.

## INCOMPLETES

Incompletes should be given only in the event that illness prevents the student from completing course work within a given quarter. **Only the Head of School may authorize giving an incomplete.** It is recommended that a student make up an incomplete within two weeks of the end of the quarter for

which the incomplete is given. An incomplete may not be given in the fourth quarter.

## **INTEGRITY STATEMENT**

Integrity should be the watchword for every Mount Mercy Academy student. Integrity is consistency between what we say we believe and how we act; faithfulness to a pledge or responsibility; soundness of moral character. Integrity is needed more than ever in our contemporary society. As a Mercy community, we place a value on integrity and expect that our students work and interact valuing it. Mercy students demonstrate integrity when their independent work is their personal, original work, when homework is not copied nor given to others to copy, when research is properly done, when the work authored by others is not plagiarized (copied without appropriate acknowledgement of source), when preparation for tests and quizzes supports truthfulness in all answers, when computer and lab work is honestly presented and when commitments to academic and extracurricular activities are undertaken with sincerity.

## **MORALS AND ETHICS**

Mount Mercy Academy, consistent with its philosophy and mission statement, will not tolerate any physical, emotional or sexual misconduct. Mount Mercy Academy is identified with and by its student body. Each student must accept the responsibility of publicly demonstrating the honorable conduct rightfully expected of her as stated throughout the Student Handbook. All events of the school including all sporting events, all field study, evening and weekend activities as well as daily attendance and any other event, trip or activity, where students represent Mount Mercy Academy, the following expectations will be in force:

Defiance, acts of bullying, harassment, inappropriate displays of affection, or poor language, toward other students, teachers, staff, guests, visiting team members, coaches, officials and others will be subject to immediate disciplinary action. This may include suspension or expulsion. It may be understood that any conduct or misbehavior that, in the opinion of the Administrators, is detrimental to the reputation of the school or the good name of the student body, will be grounds for serious disciplinary action. Incorporated by reference into this policy are the Buffalo Diocese's "Policy Relating to Sexual or Physical Misconduct" and "Code of Conduct" and the applicable sections of New York State Law.

## **ONLINE AND SUMMER COURSES**

All online courses and summer courses must have pre-approval from the Counseling Department and Administration before credit will be granted by Mount Mercy Academy. Mercy Online courses will have a registration deadline in the spring, and will only run if the predetermined number of students registers by the deadline.

## **PARENT INVOLVEMENT IN INSTITUTIONAL ADVANCEMENT ACTIVITIES**

The Mount Mercy Institutional Advancement office is responsible for raising significant funds to subsidize tuition and provide funding for student programs which are not able to be financed through the operating budget. Active involvement in Mount Mercy's institutional advancement activities offers an opportunity to meet with other Mercy parents and to provide for the current and future needs of the school. Parental participation in some aspect of fund raising activities is expected each year that your daughter attends Mount Mercy Academy.

## **PARENT-TEACHER ASSOCIATION**

Active participation by parents in Mount Mercy's Parent-Teacher Association both deepens your involvement in your daughter's school life and provides opportunities for you to meet new friends who share the same values and ideals. The spirit and purpose of this organization is to insure the best possible educational advantage for your daughter. Your views and insights are invaluable in shaping the school's response to student needs. Parent-Teacher Association meetings keep you in touch with school policy and events while offering spiritual and social activities and programs designed to help you guide your daughter in this challenging world.

## **PLAGIARISM**

**Definition:** Plagiarism is defined as the intentional or unintentional use of another author's words or ideas without proper citation, or credit being given to that original author. This, in its most egregious form, includes copying from a source verbatim or submitting an entire document of another's work as if it were one's own. Plagiarism includes paraphrasing without properly citing, or presenting another author's ideas without assigning credit to the author. To offer as a paraphrase an original passage only slightly altered also is plagiarism (Lannon 178).

Submission of AI generated work as your own also constitutes plagiarism. Using AI as your own original work will not be tolerated. AI within the classroom will be used as a brainstorming tool and editing feedback tool only - and only when the teacher decides. Any work submitted as your own that was created with AI is considered a Tier 2 infraction, and will result in an automatic grade of 0 and immediate referral to the Assistant Head of School, with possible in-school or external school suspension.

## **POLICY ON PHYSICAL AND SEXUAL ABUSE**

Mount Mercy Academy, consistent with its philosophy and mission statement, will not tolerate any physical, emotional or sexual abuse, by or against any member of the faculty, staff or student body. Included in this prohibition are all forms of corporal punishment, use or threatened use of physical force or violence, endangering the health or safety of persons, and improper sexual conduct or sexual harassment. (Sexual Harassment is defined as: Verbal or physical behavior of a sexual nature which is unwelcome or offensive, which interferes with academic performance, or which creates an intimidating, hostile or offensive academic environment.)

Incorporated by reference into this policy are the Buffalo Diocese's "Policy Relating to Sexual or Physical Misconduct" and the applicable sections of New York State Law. We provide annual education to students and employees through the Diocese of Buffalo. Any person aware of incidents such as described shall report the same to the Administration so that appropriate action may be taken.

All faculty and staff are legally obligated to report suspected incidents of abuse or neglect of students occurring outside the Academy environment. All reports will be made to the Administration who will follow the required procedures

## **PUBLIC RELATION/PUBLICITY POLICY**

The Faculty Council may bestow membership to students in grades 11 and 12. Elections are held in May for Grades 10-12 & in the fall for Grade 9.

## **STUDY HALL PROCEDURES**
