Mount Mercy Soccer Building a New Foundation

Fifth year Mount Mercy Academy Soccer Coach Brittany Myers has her work cut out for her this season. The twenty-one girl roster consists of one senior, four juniors, five sophomores and eleven freshmen. Despite so much youth and inexperience, Myers is able to see the bright side.

“With being such a young and inexperienced team, there is great opportunity for growth,” Myers commented.

This year the Magic will compete in the B Division of the Monsignor Martin League and Myers hopes to contend for the B Division Championship. Leading the team this year will be juniors Anna Schieber (Buffalo) and Gianna Lauciello (Orchard Park). Top newcomers are freshmen Jenna Brown (Buffalo) and Abigail Mailloux (Buffalo).

“Our goal will be to communicate and work together as a team on and off the field,” Myers remarked.
