Mount Mercy Academy announces that the high school's annual Open House will be Sunday, September 27th from 1:00pm to 3:00pm and Tuesday, September 29th from 4:00 - 7:00pm at 88 Red Jacket Parkway in South Buffalo, NY 14220. Tour the campus, meet faculty, students, coaches, alumnae and board members to discover why Mount Mercy Academy is the place for you!

Mount Mercy Academy completed their 2014-2015 school year ranked in the top 10% of high schools in WNY, and within the top 3% for their History program. "MMA is excelling in all areas. However, Department Chair and Assistant Principal Catherine Luhr has taken the Social Studies Department to a new level of excellence", says Principal Margaret Staszak. In addition to Social Studies, the Science Department has partnered with local organizations and brought STEAM (Science, Technology, Engineering, Art and Mathematics) to the Academy, challenging young women in advanced Sciences and Art programs. MMA also offers internships in the medical field through their own Academy of Science and Healthcare. The Academy is a unique career internship program for MMA students to gain first-hand knowledge of many different careers. Mount Mercy Academy partnered with Mercy Hospital to create this vibrant learning experience for students.

Mount Mercy Academy will offer student-lead tours for the duration of both Open House sessions visitors will explore all academic departments along with the arts, music, sports and clubs. Join us in September to see what becoming a "Mercy Girl" is all about, directly from the students themselves.

While visiting MMA, set up a shadow day with the Director of Admissions and Recruiting, Jennifer Wade to see what life is like, day-to-day at Mount Mercy Academy. For questions regarding Open House, the Shadow Program or the upcoming Entrance Exam, contact Jennifer Wade at 825-8796 ext. 320 or at jwade@mtmercy.org.
