Mount Mercy Academy started off the summer with the best rankings in their academic history, finishing in the top 10% of high schools in WNY. 100% of MMA's Mercy girls moved on to their college of choice.

As graduation wrapped up the year, summer brought on a slew of events and activities for all ages. On Friday, June 12th, MMA had it's 7th annual 5K Race in Cazenovia Park. Mount Mercy Academy honored long-time supporters Bill Murphy, Lisa Marie Purcell and alumna Karen (Connors `63) Erickson. The annual race brought out competitive runners, family walkers and even a few rollerbladers!

Camp Mercy was also successful in their second year holding the event at the school the week of July 6th. Girls in grades 3 - 8 were welcomed into Mount Mercy Academy to explore everything from sports, digital photography and art, to afternoon science experiments and leadership sessions hosted by Empower Girls Buffalo.

The MMA Golf Tournament had another great round at Diamond Hawk Golf Course in Cheektowaga. Over sixty-five golfers joined MMA for brunch, 18-holes, dinner and prizes. All proceeds from the tournament will support the Mount Mercy Academy Athletic Department.

As the summer comes to a close, we ask you to join us at our annual Kick-Off Party on August 27th down at Buffalo RiverWorks. Enjoy the waterfront as we say good-bye to summer and hello to a new school year! The party is from 6:00pm - 9:00pm and is catered by Pearl Street. Visit mtmercy.org for details and how to RSVP. We hope to see you there!
