### Mount Mercy Academy Students Visit the Courts

Successful learning experiences take place both inside and outside of the classroom. Mount Mercy Academy's Business Law class recently had a very practical classroom experience in the city of Buffalo. The class accompanied by teacher Dawn Robertson, visited Buffalo City Court, the Robert H. Jackson Federal Courthouse and Family Court. The students were able to take a behind the scenes tour of the Sheriff's Office x-ray, surveillance cameras and holding cells. One student actually had the experience of being placed in a cell and handcuffed. The class also had the opportunity to sit in on three court cases at Family Court.

Junior Emily Gall felt the experience was very worthwhile. "It was a great learning experience and something that would be beneficial for all. It was informative and it gave us a practical application of what we are learning in class."
