

Mount Mercy Supports their Student Athletes

A beautiful scene on the green as alumnae, faculty, and friends joined Mount Mercy Academy in their 3rd Annual Golf Tournament at Byrncliff Golf Course. The academy hosted the event on Monday, August 22nd to raise funds for its 13 sports teams, and with over 60 golfers in attendance and numerous sponsors, they did just that.

All proceeds from the Mount Mercy Academy Golf Tournament directly benefit its Athletic Department. Donations will be used to assist in equipment purchases and upgrades, tournament and away game travel needs, uniforms and individual sport athletic fees, and more. The student athletes work extremely hard and deserve the best sporting experiences available; Mercy is committed to making that happen.

To show their appreciation, Mercy's volleyball team woke up early Monday morning to help prepare for the event and ran a putting contest for the guests. Attendees were also treated to a full day of golf, a delicious dinner, and were able to participate in two raffles with more than 30 prizes including everything from professional golf equipment to a Buffalo Sabres signed yearbook.

The donors enjoyed their time and made the event a success. Mount Mercy Academy thanks everyone who supported them in the advancement of their girls' athletic endeavors.
