### Mount Mercy Academy Recognizes Academic Excellence

On behalf of the Mount Mercy Academy Board of Trustees, Kathleen Linhardt, the Chairperson of the Board, is pleased to announce the establishment of the Academic Excellence Scholarship. This exceptional scholarship, sponsored by the Mount Mercy Board of Trustees will commence with the 2018-19 school year. The scholarship is designed to link high achieving students with Mount Mercy Academy, a high school recognized for its academic excellence and outstanding Catholic education. Mount Mercy Academy continuously seeks to attract Western New York's brightest female minds.

Any eighth grade girl who scores a 690 or higher on the Catholic School Entrance exam will be eligible for this full four year scholarship to Mount Mercy Academy. Students are not required to list Mount Mercy Academy as their top choice, nor must they attend a Catholic grammar school. If a student takes the exam at Mercy and scores below the 690 she will still be eligible for other scholarship funding which is available only to those taking the exam at MMA.

Mount Mercy Academy offers ten Advanced Placement Courses and holds articulation agreements with five local colleges and universities. The school also offers a unique opportunity with its Academy of Science and Health Care which exposes students to possible careers in the science and health fields. A quality education is within reach for all academically talented students.

Interested students are encouraged to register for the Exam Review Classes which begin on Saturday, October 28, 2017 and continue the next two Saturdays. The Entrance exam will be administered on Saturday November, 18, 2017. Details and registration information can be found at [www.mtmercy.org](http://www.mtmercy.org). Student shadow opportunities are also available and strongly encouraged. Please visit the MMA website or call the school at (716) 825-8796 ext.320.
